

Proposal for Changes to the Rules**1** Title of Proposal

An act to permit the addition of sections and paragraphs in between existing sections and paragraphs

2 Summary of Changes Provisioned

This proposal may be cited as the Nomic Amendment Numbering Plan Act 2026.

It will often not be feasibly to re-number an entire section to add something where we want it to be. This will allow easily inserting sections and paragraphs in between others.

Authored by Janet, 2026-03-31

Section A – Count of Attached Forms

3	To Enact a Rule (10-a)	3	
4	To Re-Title a Rule (10-b)	4	
5	To Re-Number a Rule (10-c)	5	
6	To Revise a Rule's Provisions (10-d)	6	1
7	To Repeal a Rule (10-e)	7	
8	Total	8	

2 Current Provisions

Each rule shall have a Code, Title, Section, and Paragraph; collectively, its Number.

- (a) The Code shall be Form Nomic Code (FNC).
- (b) The Title shall be a positive integer.
- (c) The Section shall be a positive integer formatted to 3 digits.
- (d) The Paragraph shall be a positive integer formatted to 2 digits.

The Number of a rule shall be unique to that rule.

3 Updated Provisions

Each rule shall have a Code, Title, Section, and Paragraph; collectively, its Number.

- (a) The Code shall be Form Nomic Code (FNC).
- (b) The Title shall be a positive integer.
- (c) The Section shall be a positive integer formatted to 3 digits, optionally followed by one or more lowercase letters in the English alphabet.
- (d) The Paragraph shall be a positive integer formatted to 2 digits, optionally followed by one or more lowercase letters in the English alphabet.

The Number of a rule shall be unique to that rule.
